8:30 a.m. to 4:00 p.m.
(Continental Breakfast and Lunch provided)

Location: Clackamas Community College-Wilsonville Campus –Room 111
29353 SW Town Center Loop E, Wilsonville, OR 97070
(503) 594-0940 (Use your favorite mapping device for directions)

Facilitator:

Who Should Attend?

- These sessions are designed to give locators the necessary skills to become a competent locator by providing classroom learning and outdoor presentations. A competent locator can tell the difference between good locating information and bad information in addition to that knows what actions may result in converting bad information into good information.

Content:

- Techniques used in locating underground utilities such as water and waste water, piping, cable and communication lines and other buried facilities
- Superior troubleshooting techniques
- Skills to consistently provide accurate and complete utility location information
- The principles behind the locating instrument
- The importance of accurate locating (Please bring your Locator Instruments to class)
- Skills required to pass the OPTIONAL locator test at the end of the class*

Fees: Per person, (limit of 4 attendees per company) - **\$100 for both days**

Please register by March 1, 2012. Registration begins at 8:00 a.m. on both days.

*An OPTIONAL written test is available at the end of the class. The optional written test is recorded and scored. A score of 93% or above is needed for a Staking U Written certificate. Continuing Education Credits available.

For *registration* questions, please contact Laura Venda at (503) 236-3721 or via e-mail: OUNCLaura@aol.com
For *seminar* questions, please contact Ron Stenger at (503) 266-8290 or via e-mail: rstenger@canbytel.com

OUNC Mission: To operate and maintain a state-of-the-art one-call system for the State of Oregon to reduce damages to underground facilities and to promote public safety related to excavation issues.
